

**1. Send stories to [thousandonestories@gmail.com](mailto:thousandonestories@gmail.com)!**

Tell us a little bit about yourself, but let your story speak for itself. We will connect you with an editor to give you feedback on your stories and let you know whether or not they will be published.

Any format works: .docx, Google Docs link, or OpenOffice.

**2. Register for an author account on the site.**

You can [create an account](#) to help speed the process along.
